Church Directory

The 2018 edition of our Church Directory is almost complete. An email was sent out with a link to check your contact information. If you received this email, please check your details by February 20th. If you did not receive the email, please let Lynette know if any of your contact details have changed in the last 18 months.

It is not too late to include a photo (head and shoulders only). You can either email Lynette (admin@caloundrachurchofchrist.org.au) with a photo attached, or call in to the office during the week and she will be happy to take a photo for you. If you would prefer that your details are not included in the directory, please let Lynette know and we can take care of that for you.

Thank you for your assistance to make the Directory as accurate as possible. The new edition should be available at the end of February.
