Church Family News

The 'What We Believe' Sermon Series continues today...

Today's Topic

The Bereans, of Acts 17 were a people who "examined the scriptures daily to see if these things were so".

A correct understanding and application of Scripture is so important in times of widespread disregard for the Word of God. Today we look at the Bible and it's inerrant nature, and the person and work of the Holy Spirit.

Two Handouts are available, one on the "Inerrancy of Scripture," and a second, "Baptism in the Holy Spirit"

Next Sunday's Topic . . .

Jesus is Coming again, and will judge the world.

Emails from the church office

Our church database program, UCare has changed it's parent program and some of you have been having trouble receiving emails such as Prayer Prompts. There is a setting on your computer which hopefully will help. Following the instructions below will not affect anything else on your computer, but will ensure emails from UCare come through.

If you use Outlook for your emails, in the top panel when you open the program you will see on the left hand side the word Junk with an arrow to the right of it. Click on the arrow and select Junk Email Options (the bottom of the drop down list). In the box that comes up, select 'Safe Senders'. You may have some addresses in the box that appears. If you have the address mail@ucareapp.com listed, please delete it. Then click on 'Add', re-enter mail@ucareapp.com and select apply and OK. If the address was not already in the box, still type it in, select apply and OK.

You should now receive the emails. Once you have done the above steps, feel free to email the office and we can do a test for you. If you do not use Outlook, try to find your junk settings and look for the safe senders list. Again, please contact the office if you need any help and we will be happy to assist.

Small Groups

The HEART of our church . . .

small
groups

. . . Join a group in 2018

Small Groups have begun but it's never too late to join a group...

You'll find information on meeting times and contact information in the **SMALL GROUPS GUIDE**, available from the tract rack in the foyer.

If you've registered your interest, or would like to join the "Walk Through the Bible" Small Group . . .

Ray Yerbury would like to meet with you next Sunday, February 11th - between services at 9am in the Lounge off the breezeway.

This informal meeting will look at an agreeable start date and time and so Ray would appreciate your input.

Feel free to talk with Ray for further details, and of course - it's not too late to register your interest.

Update your details

It's time to update our church directory for the new year. Please email the office on admin@caloundrachurchofchrist.org.au if any of your details have changed. If you didn't have your photo included last time and would like that for this new edition, please call in to the office and Lynette will be happy to take a photo for inclusion. If you are new to our church over the last year or so, we would love to include you so please ensure we have your details. The directory is a valuable resource for us all to connect, so your assistance to have everything correct is appreciated. At this stage, the new edition will be available by the end of February.

Thank you from Heather Svec...

Heather would like to thank all those who prayed for her during her recent stay in hospital and her ongoing illness. Heather is much better but still has a way to go. She appreciates all the support.
